WISEPAD™ 2 PLUS

Transforming the mobile payment marketplace.

PAYA Group

The Wisepad 2 Plus is a portable payment device with an integrated receipt printer, making it ideal for businesses who want to take a variety of payments using a portable device.

With Wifi and GPRS connectivity options, payments can be made anytime, anywhere.

Features

- Accepts Contactless, Chip and Pin and Magstripe payments, maximising your payment options.

- Accepts AMEX, Apple Pay and Google Pay.

- Doesn't need to connect to any App to function, making it easy and simple to use.

- Comes in a Wifi Only model or a Wifi and 3G model. The WIFI model will connect to mobile hotspots and the 3G model comes with its own data SIM.

Merchant Portal

Monitor your transactions and download the reports you need from the PayaCharity Merchant Portal. Order further devices, till rolls, download user guides, and more!

Accepts All Types Of Payments

The Wisepad 2 Plus accepts Contactless, Chip and Pin and Magstripe payments, maximising your payment options and allows for quick receipt printing on the move.

The device can be used to collect variable amounts from £1.00 to £10,000. The transaction amount is simply keyed into the device each time before the card is presented.

Easy To Set Up

The PayaCharity team will make sure your device is set up and ready to use straight out of the box, saving you time and ensuring you're ready to collect card payments right away. All you need to do is connect to your WIFI or 3G connection.

Full Support

Our Helpdesk are on hand for any assistance you may need. 0333 123 1243
